PRESENTATION

OUR COMMUNITY. OUR FUTURE. OUR COMMITMENT.

THE FIRST ANNUAL JASMINE RIVERA COMMUNITY GOLF CLASSIC

This event was created with a simple belief:

*strong communities are built when good people come together
for a common purpose.*

York County is a place where neighbors look out for neighbors,
businesses support one another, and leaders step up to make a difference.
This golf classic is more than a tournament — it is a celebration of that spirit.

As Jasmine Rivera continues her campaign for Pennsylvania State Representative, this event brings together community members, business leaders, and friends for a day of connection, goodwill, and impact.

**TOGETHER, WE CAN BUILD A
STRONGER YORK COUNTY.**

BUILT ON RELATIONSHIPS

We believe in the power of relationships to create opportunity, strengthen our community, and inspire lasting change.

DRIVEN BY COMMUNITY

Every swing, every conversation, and every partnership helps us invest in the future of York County.

FOCUSED ON THE FUTURE

This event supports leadership that listens, serves, and works tirelessly for a stronger tomorrow.

MADE TO MAKE AN IMPACT

Your partnership fuels meaningful work and helps create a legacy that will be felt for years to come.

“

Alone we can do so little; together we can do so much.

— HELEN KELLER
